

# About Us

ACHF has been a pillar in the community for almost half a century, ensuring people of all ages have the local resources they need to lead healthy lives.

Today, the foundation focuses on building and sustaining health for all through community partnerships, grantmaking, and scholarships for future health care professionals. By collaborating with local nonprofits, civic organizations, school districts, and others, ACHF strives to identify the most pressing health needs of the community and alleviate barriers to care. With the help of donors like you, ACHF can directly impact the Ashland, Talent, and Phoenix community today and into the future.

*Clockwise from top left: An Allied Health Scholarship student in a dental program; local student wearing a hat chosen from our holiday drive; health for all is our goal!*

**With your support, we can invest in projects that create and expand access to health and wellness services, including:**

- Scholarships for students in nursing and allied health programs
- Health programs for kids
- Mobile health care services
- Trauma-informed programs and services
- Access to mental health services
- State-of-the-art medical equipment
- Innovation in the delivery of health care
- And so much more!

## Our Mission

*ACHF generates and invests resources to improve the health of our community.*

**Together We Care**

# Invest & Impact

You can join our family of generous donors to advance health equity and innovation in so many ways. Let us know your vision of health for all.

## COMMUNITY HEALTH

You can invest in a broad range of Community Health Initiatives that address local health and wellness challenges, improve access to care, and establish lasting benefits to the community.

## SCHOLARSHIPS

You can partner with us to provide scholarships to nursing and allied health students, ensuring that more skilled health caregivers enter the workforce in our local hospitals, clinics, and medical and dental offices.

Read stories about donors like you who are making a difference at [achfoundation.org/blog](https://achfoundation.org/blog).

# Inspiration

The ACHF family includes donors, volunteers, scholarship recipients, local organizations, and schools who share your dedication to a healthy community.

**Rosario Medina**

Educator

K-5 Mitten, Glove, and Hat Drive Supporter

*"I love this [mitten] drive and how excited students get when they get to pick out their very own pair of gloves and a warm fuzzy hat."*

**Roger Reeves**

Evans Nursing Scholarship Recipient

*"This scholarship made a big difference in my career trajectory and ensures that we have more nurses in the area."*

# Ways to Give

There are many ways to support the health and wellness causes that matter to you.

**Annual Gifts** to our Patrons and/or Lights for Life campaigns

**Recurring Gifts** in an amount and frequency of your choice

**Planned Gifts** to establish a legacy in your community

**Tribute Gifts** in honor or in memory of someone special

**Transformational Gifts** that will create an enduring impact

## Start Your Own Fund

Setting up a named fund or endowment is one of the most meaningful ways you can give back to the

community you care about. Your fund can support specific organizations or causes over a period of time or in perpetuity. For example, donors Alexi and Jeff McCullough created the Chuck Butler Memorial Aquatics Endowment to support water activities and sports for youth.

A named fund can be established with a minimum gift of \$10,000, and endowments can be created with a minimum gift of \$50,000. You can add to your fund over time.

For information about our funds, visit [achfoundation.org/give](https://achfoundation.org/give) or call us at 541-482-0367 to learn more about starting your own fund.
